

SELECTION FACTORS

While it is the intention of all partners to enter into a collaborative strategy toward the final uses of the CV Funding, it is important to establish criteria for selection. Applicants who can demonstrate capacity for operating programs for which they are requesting funding, including knowledge and experience, understanding of grant requirements, internal accounting procedures, etc., and who are able to articulate the need and impact they intend to have because of their partnership will receive preference for selection.

Evaluation is based on the following:

Assurance of compliance with all applicable statutory requirements	20 Points
Comprehensive nature of program and/or services and how the program and/or services will address gaps in homeless provision	30 Points
The program is cost effective	30 Points
The capacity and ability of the provider to carry out the activity(ies)	20 Points
TOTAL	100 Points

EXTRA POINTS:

All applications that are not missing any required documentation and that are submitted in the format requested by the submission deadline will be awarded 5 extra points.
